

TEXWORLD EVOLUTION
NEW YORK CITY

JANUARY 22-24, 2024
JAVITS CENTER | NEW YORK CITY

2024 winter edition

ABOUT THE SHOWS

Texworld New York City is the largest sourcing event on the East Coast for apparel fabric buyers, research and product development specialists, designers, merchandisers and overseas sourcing professionals. This international business platform offers a wide product range covering the entire fabric spectrum. From casual cotton to function fabrics and sophisticated knits to intricate laces, season-to-season attendees discover textiles of innovative structures, material mixes and surprising color palettes.

Apparel Sourcing New York City offers apparel brands, retailers, wholesalers and independent design firms a dedicated sourcing marketplace for finding the best international apparel manufacturers. As the only event on the East Coast to focus on finished apparel, contract manufacturing and private label development, the show provides attendees direct access to suppliers specializing in ready-to-wear for men, women, children and accessories.

"Year over year the show has improved. I have loved in the recent years how the trend forum is supported by the trend read outs in the educational sessions. This year I was most passionate about the focus on innovations with in sustainability and what is to come. It is great that we are educating our community on the future of sustainability and helping us connect with new partners in this space to keep a pulse on what is coming our way. "

- Jennifer Diserato, Victoria Secret
